

In the /var/www/html/osticket/upload/include/i18n/en_US/templates/page#banner-client.yaml i have this is.

```
# banner-client.yaml
#
# This forms the header on the staff login page. It can be useful to inform
# your clients about your login and registration policies.
---
notes: >
  This composes the header on the Client Log In page. It can be useful to
  inform your Clients about your log in and registration policies.

name: "Registrarse en ${company.name}"
body: >
  Para mejorar nuestro servicio y poder darte mayor calidad, te animamos a que te
  crees una cuenta en el servicio de Ticket y así tener un mejor seguimiento de la
  s incidencias.
